

Middle East Forex Trading Expo

Hosted by Arabcom Group

1-2 March 2007
Dubai UAE

Todd Gordon

Todd Gordon is a currency strategist and trader at FOREX.com, a division of GAIN Capital Group. In addition to trading, Todd applies his expertise in technical analysis to produce the widely-read "Strategy of the Day" research report for clients of FOREX.com and GAIN Capital. A Level 2 Chartered Market Technician (CMT), Todd is also a frequent contributor to publications such as *Technical Analysis of Stocks and Commodities* and *Active Trader*, and teaches seminars on technical analysis in the forex market. Prior to joining GAIN in 2004, Todd was a Director with Connors Capital, LLC, a hedge fund in Los Angeles. Todd began his professional career trading equities for Aspen Trading, LLC.
