

FOREX.com to participate in The Middle East Forex Trading Expo Abu Dhabi

FOREX.com, the retail division of GAIN Capital Group, services forex traders in the Middle East region through its website arabic.forex.com. In addition to demonstrating its products and services at the Expo, the company will also be looking for new regional partners to assist in its efforts to expand in the important Middle East market.

GAIN Capital Group is a market leader in the rapidly growing online forex industry. The company operates two full service web portals. FOREX.com (www.forex.com) one of the largest, most well-known brands in the retail FX space, provides customized tools & services specifically for self-directed retail traders. The company's flagship service, GAIN Capital (www.gaincapital.com) focuses on the needs of professional forex traders, including hedge funds and money managers.

In addition, GAIN actively partners with broker/dealers, Futures FCMs and other financial services firms, currently supporting more than 50 white label and co-brand relationships around the globe.

The company services clients from more than 140 countries and supports trade volume in excess of \$100 Billion per month. In 2007, GAIN Capital Group was named a finalist for "Best Retail Platform" by *FXWEEK* and a semi-finalist for "Best Forex Brokerage" by the readers of *Technical Analysis of Stocks and Commodities*.[®] For more information, please visit FOREX.com at booth #37 or at arabic.forex.com.
