

M I G Investments to participate in the 2nd Middle East Forex Trading Expo, Abu Dhabi, featuring ‘trade and research’ seminar by market expert and head of research, Richard Morrish.

Neuchâtel, Switzerland, November 14th, 2007 – M I G Investments is participating in the second annual Middle East Forex Trading Expo in Abu Dhabi, UAE, on November 27 – 28th. Our professional and dynamic sales team will be on-hand to showcase the latest range of Forex products and services on offer. The expo will spotlight M I G’s proficiency in the region, and give visitors an opportunity to test M I G’s Trading Platform and sample other trading tools we offer.

As part of the exhibit, Head of Research, Richard Morrish, will be presenting a keynote seminar on *Trading for success in Foreign Exchange* on November 28th @ 12pm local time. As one of the UK’s leading trading exponents with over 30 years of professional financial market experience, Richard will discuss his unique guide to trading and how to apply a winning formula to technical and fundamental analysis to produce successful results. This unique session will also cover the most common trading errors to avoid, and provide a platform for traders to build and create their own trading style. “I promise that you will learn at least one new thing that will enhance your trading”, says Richard Morrish, who will be available for *Question and Answer* sessions for the duration of the expo.

M I G invites anyone interested in honing their trading skills or sampling the industry’s best offerings, to stop by **booth No. 24 and 25** and discover how being a client or partner with M I G can benefit your business.

M I G Research Department

As an added-value service, M I G provides premium market research and technical analysis on FX markets and a range of other asset classes to partners and clients via its in-house team of industry professionals. The department is headed by Richard Morrish, a trader for the last 23 years for International Banks, Himself and Hedge funds. He is a regular contributor to CNBC Europe for the last five years. Richard has lectured on global macro hedge fund strategy and technical analysis. He has traded all asset classes from FX to Bonds to Commodities. He is regarded as one of the leading technical trading exponents in the UK and one of the most accurate predictors of markets. He has a charismatic style that simplifies trading to its core elements, and is a freeman and liveryman of the City of London with 30 years experience in the City, in the LSE and LIFFE.

About M I G Investments

Established in 2003, M I G is a fully regulated Swiss Forex and Bullion broker located in Neuchâtel, Switzerland, with a range of financial services catering to both Private and Institutional clients in over 100 countries, 24 hours a day, 5 days a week. Our vision is to be the preferred Forex broker by ensuring our partners and clients receive the best trading conditions in the market, the most advanced and secure trading technology available and exceptional individualized customer service.

Our clients trade on tight spreads from 1 pip and a selection of extremely competitive spreads on more than 30 pairs. We offer world-class strategic business partnership solutions specifically designed for banks, financial institutions, brokers and private investors through our White Label, Asset Manager, and Introducing Broker programs. Each offers a customized income-sharing plan compatible with your business strategy.
