

The World's most Trusted Name in Professional Financial Education in Trading.

DUBAI, UAE. (OCT/17/2007).

Online Trading Academy Dubai is participating in the 2nd Middle East FOREX Trading Exhibition being held in Beach Rotana Hotel Abu Dhabi from 27-28 Nov 2007. This Exhibition will give an opportunity to the interested local and regional population to come and visit us and to get to know how they can increase the Skills and Knowledge in different spectrum of Financial instruments.

Our Courses are designed in such a way that it makes people aware of the Risk inherent in the market and here in the academy students are taught by professional traders who have been active in the Financial Markets.

Our motto is to continue to make the markets fully transparent and pass on time-tested trading skills to those who desire to gain greater intelligence with skills when placing trades. Here in the academy we deliver the most comprehensive financial education experience through the most effective tools, techniques, and strategies.

Our training courses are geared towards individual investors or traders, novice or experienced; banks and financial services/brokerage houses that want to learn how to use the same tools and professional trading techniques as the professional traders at different exchanges.
