Windsor Brokers moves to its own Windsor Business Center!

We are proud to announce the inauguration of our Business Center which will take place in Limassol, Cyprus on the 8th of November. On this day, with the honouring presence of the Cyprus Minister of Finance and several Ambassadors of Arab countries in Cyprus, Windsor will celebrate another key date of its history. With over 20 years of experience in the Financial Services sector, Windsor has come a long way to establish today's momentous stance in the market on the international level.

Following the success that we had at our stand during the 1st Middle East Forex Trading Expo in March 2007, as well as the positive comments we received from our visitors, we decided to participate in the 2nd Middle East Forex Trading Expo this November, presenting traders with even more options and new services.

Licensed and regulated by [CySEC](#) (*The Cyprus Securities and Exchange Commission*) and EEA Authorized by [FSA](#) (*The Financial Services Association- UK*), Windsor is an independent market maker and principal broker, offering clients access to Foreign Exchange Markets covering major world currencies, Stock Indices including Nasdaq, Dow Jones and S&P 500 as well as Precious Metals, Futures (OTC), CFDs and other commodities that are quoted on major world exchanges.

Being a market leader in the region who provides European standard services with a large portfolio of financial instruments, customized accounts and personalized customer support, we are in a position to meet investors' needs and exceed their expectations.

We hope to have the pleasure of welcoming you at our **Stand No. 36** on the 27th & 28th of November.
